COMPANY EXPERIENCE

Anita started her Colliers career in Calgary, Alberta, transferring to the Kelowna office in the spring of 2007.

Anita is applying her experience on major investment deals in Calgary to the Kelowna and OK Valley markets.

Anita's extensive background in marketing is an asset to the sales team in the Kelowna office. Anita excels at compiling data and creating feature sheets, marketing packages and investment memorandums for the sales team. Utilizing various software applications, Anita can generate professional marketing materials.

She is an integral member of the Colliers team that increases satisfaction to our clients.

PRIOR EXPERIENCE

Anita's past experience consists of co-ordinating special events, customer service and increasing productivity in the work place by implementing new systems and procedures.
