COMPANY EXPERIENCE

Mike has been actively involved in many aspects of real estate for over 12 years. His experience consists of sales, leasing, management and accounting in both residential and commercial projects. He brings to Colliers a diverse background of heavy civil construction and land development ranging from single family subdivisions to industrial park developments. Mike's involvement with all stages of subdivision process and infrastructure installments provides him and his clients a valuable bank of experience and knowledge with land development, marketing and sales.

PROFESSIONAL ACCOMPLISHMENTS

Mike earned a Bachelor of Commerce degree from the University of Victoria that further enhances his knowledge of law, accounting, finance, marketing and general business practices.

An Okanagan resident since 1972, Mike has experienced the vast changes to the area over the past 35 years. His knowledge of the local market, it's trends, the properties and the property owners is invaluable in relations to the personalized service that Mike is able to offer his clients.

The Okanagan is a special area that is custom designed for Mike's year round recreational pursuits. An avid outdoors enthusiast, Mike enjoys all Okanagan seasons equally whether in the mountains or on the lake, competing as a soloist in Kelowna's Ski to Sea race or the Apple Triathlon.
